Fire Services

Fire Administration

- Fire Services responded to 5 emergency incidents: 2 motor vehicle collisions, 1 sight of smoke, 1 Police assistance and a mutual aid call for a structure fire on Rideau Lakes.

WEEK OF MARCH 24, 2025

Fire Services

Fire Administration

- A debrief of 2024's call to Charleston Lake was held on Tuesday. We were fortunate to include Charleston Lakes Superintendent, Leeds Grenville Paramedic Service, the dispatcher from Brockville Fire who was on the call that night and Leeds Fire personnel. Most fire services from the county were in attendance, with approximately 70 fire personnel from the county in attendance. These debriefs are very important for firefighters to talk about the call and learn from the event

Fire Prevention

- Assisted a resident with batteries in a smoke alarm, as well as a fire safety conversation for their home.
- Conducted an investigation with the By-law staff for a burn complaint
- Continued to work on ongoing investigations and inspections

Regional Training Center

- Z- endorsement course this upcoming weekend at the training center
- Live fire at the training center for North Grenville Fire Services

Planning and Development

- The Spring intake for the Township Community Improvement Plan is the last Friday in May. Information regarding the incentives along with the application forms is available on the [Township website](#).
